

Charter Bus Information for 2013

- **We encourage ranchers to ride our chartered buses because camp begins on the bus.** It's a great way to make new friends and renew old acquaintances. All buses will be supervised by senior counselors. Buses are modern, air-conditioned with bathrooms, and professional drivers are provided by Coach America. We will contact you by email when the buses arrive at camp. All departures and returns will be made from the Jewish Community Centers in Houston, Dallas or Austin and we appreciate their generosity and support. **To reserve a seat and pay fares go to www.echohill.org by June 10th.**

- **Important rules:**
 - All ranchers should bring their own bag lunch. We will provide bottled water and a dessert snack. Lunch will be eaten at an appropriate rest stop about half way to the ranch.
 - All Medications must be handed to the Bus Counselor by a parent, in a zip lock bag with all necessary instructions in the bag, and the rancher's name written on it with permanent marker. Ranchers will not be allowed to bring medicine on the bus. Upon arriving at the ranch the Counselor will deliver the medicine promptly to the Camp Nurse.

All One Week campers will need to be picked up at camp which will also give parents an opportunity to meet counselors, camp directors, and tour the ranch. (Car pools are a good idea and we can help you arrange one) or we can drive a camper to the San Antonio Airport for a small charge for a return flight home if necessary.
